

Dairyland Xplorers

Guinevers Nature Trail

7-11 years

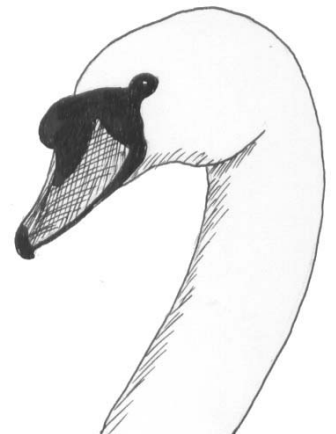

All children must be accompanied

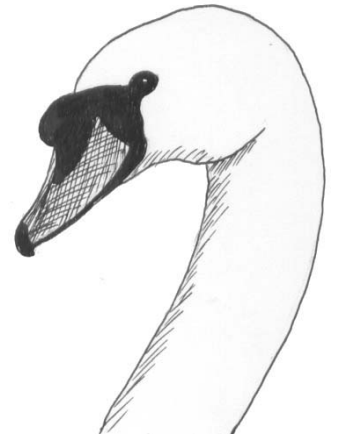

Please beware of the Swans during nesting time

All the creatures are wild so please treat them with care and do not pick flowers.

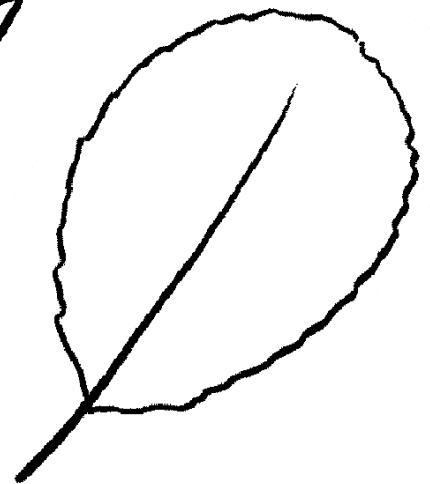

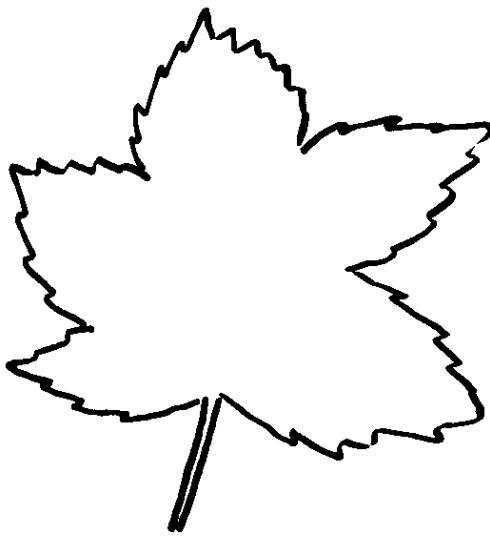

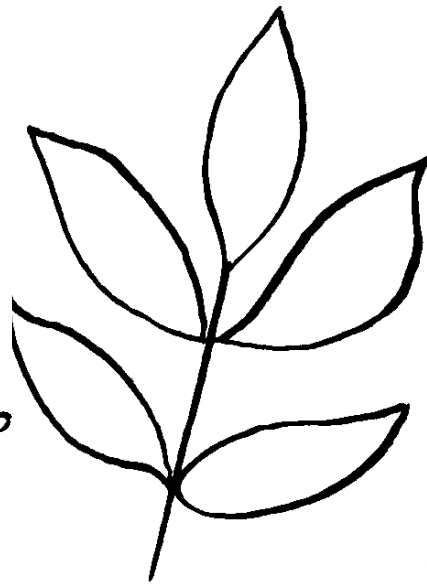

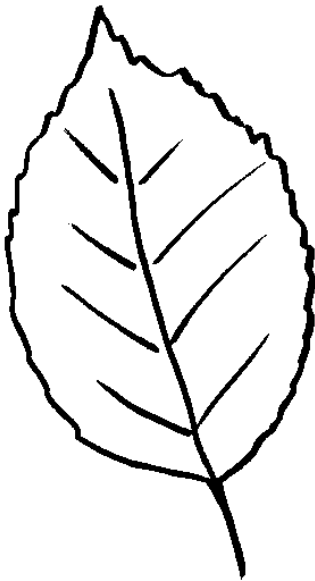

Please feel free to explore the nature reserve and discover the variety of flora and fauna. Take your time and explore the different routes and tracks, take time to listen at the bird song.

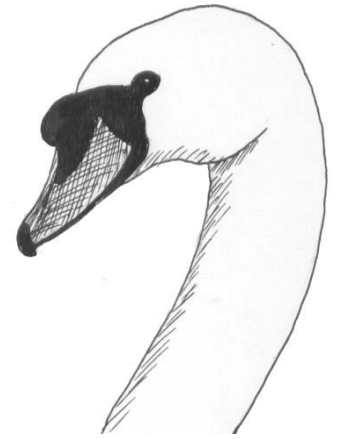

Guinevers Nature Trail

Here are 5 leaves you may find on the trail. See if you can find another shaped leaf. Draw and and colour all the leaves in.
